

Solarfun Power Holdings CO.,LTD

Solarfun to Host Investor Day in New York City on Monday, June 14, 2010

SHANGHAI, June 7, 2010 /PRNewswire via COMTEX News Network/ -- Solarfun Power Holdings Co., Ltd. ("Solarfun" or the "Company") (Nasdaq: SOLF), a vertically integrated manufacturer of silicon ingots and photovoltaic ("PV") cells and modules in China, today announced that it plans to host an investor day for institutional investors in New York City on Monday, June 14, 2010, from 4pm-6pm EDT.

The following members of management will present.

- Mr. Peter Xie, President
- Gareth Kung, CFO
- Zhoumiao Gao, Senior Vice President Operations
- Andreas Liebheit, Vice President and Managing Director, EMEA
- Bruce Ludemann, Vice President and General Manager, North America
- Mohan Narayanan, Vice President Technology

For an official invitation to the event, please contact one of the names at the bottom of this press release directly.

A video replay of the event will be posted on the Company's website after the event: <http://investors.solarfun-power.com/>.

About Solarfun

Solarfun manufactures silicon ingots, wafers, PV cells and PV modules and provides PV module processing services to convert PV cells into PV modules. Solarfun produces both monocrystalline and multicrystalline silicon cells and modules. Solarfun sells its products through third-party distributors, OEM manufacturers and directly to system integrators. Solarfun was founded in 2004 and its products have been certified to TUV and UL safety and quality standards.
