

Solarfun Power Holdings CO.,LTD

## **Solarfun Power Holdings to Announce Fourth Quarter and Full Year 2009 Financial Results on March 5, 2010**

SHANGHAI, Jan 19, 2010 /PRNewswire via COMTEX News Network/ -- Solarfun Power Holdings Co., Ltd. ("Solarfun" or "the Company") (Nasdaq: SOLF), a vertically integrated manufacturer of silicon ingots and photovoltaic, or PV, cells and modules in China, today announced that it will release its unaudited financial results for the fourth quarter and full year of 2009 before the market opens on March 5, 2010. Management will host a conference call to discuss the results at 8:00 am Eastern Standard Time (9:00 pm Shanghai time) on the same day.

### **Conference Call**

Mr. Peter Xie, President, Mr. Gareth Kung, Chief Financial Officer, and Mr. Paul Combs, Vice President of Strategic Planning, will discuss the results and take questions following the prepared remarks.

The dial-in details for the live conference call are as follows:

- U.S. Toll Free Number: +1 866 271 5140
  - International dial-in number: +1 617 213 8893
  - China Toll Free Number (North): +10 800 152 1490
  - China Toll Free Number (South): +10 800 130 0399
  - China Toll Free Number (South): +10 800 852 1490
- Passcode: SOLF

A live webcast of the conference call will be available on the investor relations section of the Company's website at: [www.solarfun-power.com](http://www.solarfun-power.com). A replay of the webcast will be available for one month.

A telephone replay of the call will be available for seven days after the conclusion of the conference call. The dial-in details for the replay are as follows:

- U.S. Toll Free Number: +1 888 286 8010
  - International dial-in number: +1 617 801 6888
- Passcode: 22776555

### **About Solarfun**

Solarfun Power Holdings Co., Ltd. manufactures ingots, PV cells and PV modules, and provides PV module processing services to convert PV cells into PV modules. Solarfun produces both monocrystalline and multicrystalline silicon cells and modules. Solarfun sells its products both through third-party distributors, OEM manufacturers and directly to system integrators. Solarfun

was founded in 2004 and its products have been certified to meet TUV and UL safety and quality standards.
