Delegation from Troisdorf visited Solarfun

This morning, Delegation from Troisdorf visited our company, accompanied by Nantong Foreign Affairs Office, Qidong Administration of Foreign Trade and Economic Cooperation. Vice Mayor of Qidong Mr. Shen Fenglei attended this meeting.

After our leadership showing our production lines, the delegation representatives appreciated that it was incredible Solarfun had made such great progress in only two years. They wish they could establish a long-term cooperation relationship with Solarfun in the future.
