Solarfun Power Holdings to Announce First Quarter 2008 Financial Results on May 21, 2008

SHANGHAI, China, May 07, 2008 (BUSINESS WIRE) -- Solarfun Power Holdings Co., Ltd. (NASDAQ:SOLF), an established manufacturer of photovoltaic (PV) cells and modules in China, today announced that it will release its unaudited financial results for the first quarter of 2008 before the market opens on May 21, 2008. Management will host a conference call to discuss the results at 8:00 am U.S. Eastern Time (8:00 pm Shanghai time) on the same day.

Conference Call

Mr. Harold Hoskens, Chief Executive Officer, Ms. Amy Jing Liu, Chief Financial Officer, and Paul Combs, Vice President of Strategic Planning, will discuss the results and take questions following the prepared remarks.

The dial-in details for the live conference call are as follows:

- U.S. Toll Free Number: +1 866 362 4820
 - International dial-in number: +1 617 597 5345
 - China Toll Free Number: +10 800 130 0399
- Passcode: SOLF

A live webcast of the conference call will be available on the investor relations section of the Company's website at: <http://www.solarfun.com.cn>. A replay of the webcast will be available for one month.

A telephone replay of the call will be available for twenty-four hours after the conclusion of the conference call. The dial-in details for the replay are as follows:

- U.S. Toll Free Number: +1 888 286 8010
 - International dial-in number: +1 617 801 6888
- Passcode: 74083898

About Solarfun

Solarfun Power Holdings Co, Ltd. manufactures both PV cells and PV modules, provides PV cell processing services to convert silicon wafers into PV cells, and supplies solar system integration services in China. Solarfun produces both monocrystalline and multicrystalline silicon cells and modules, and manufactures 100% of its modules with in-house produced PV cells. Solarfun sells its products both through third-party distributors, OEM manufacturers and directly to system integrators. Solarfun was founded in 2004 and its products have been certified to TUV and UL safety and quality standards. SOLF-G
