

Solarfun Power Holdings CO.,LTD

CORRECTION: Solarfun Power Holdings to Announce First Quarter 2010 Financial Results on May 26, 2010

SHANGHAI, May 11, 2010 /PRNewswire via COMTEX News Network/ -- Solarfun Power Holdings Co., Ltd. ("Solarfun" or "the Company") (Nasdaq: SOLF), a vertically integrated manufacturer of silicon ingots and photovoltaic, or PV, cells and modules in China, today announced that it will release its unaudited financial results for the first quarter of 2010 before the market opens on May 26, 2010. Management will host a conference call to discuss the results at 8:00 am Eastern Daylight Time (8:00 pm Shanghai Time) on the same day.

Conference Call

Mr. Peter Xie, President, Mr. Gareth Kung, Chief Financial Officer, and Mr. Paul Combs, Vice President of Strategic Planning, will discuss the results and take questions following the prepared remarks.

The dial-in details for the live conference call are as follows:

- U.S. Toll Free Number: +1 800 659 2037
 - International dial-in number: +1 617 614 2713
 - China Toll Free Number (North): +10 800 152 1490
 - China Toll Free Number (South): +10 800 130 0399
- Passcode: SOLF

A live webcast of the conference call will be available on the investor relations section of the Company's website at: www.solarfun-power.com. A replay of the webcast will be available for one month.

A telephone replay of the call will be available for seven days after the conclusion of the conference call. The dial-in details for the replay are as follows:

- U.S. Toll Free Number: +1 888 286 8010
 - International dial-in number: +1 617 801 6888
- Passcode: 16751627

About Solarfun

Solarfun manufactures both PV cells and PV modules, provides PV module processing services to convert PV cells into PV modules, and supplies solar system integration services in China. Solarfun produces both monocrystalline and multicrystalline silicon cells and modules. Solarfun sells its products through third-party distributors, OEM manufacturers and directly to system integrators. Solarfun was founded in 2004 and its products have been certified to TUV and UL safety and quality standards.
